## **DETAILED ACTION**

### ***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(c), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(c) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on February 24, 2009, has been entered.

### ***Information Disclosure Statement***

2. The information disclosure statement filed February 24, 2009, fails to comply with the provisions of 37 CFR 1.97, 1.98 and MPEP § 609 because each publication listed in an information disclosure statement must be identified by publisher, author (if any), title, relevant pages of the publication, date, and place of publication. 37 CFR 1.98(b)(5). It has been placed in the application file, but the information referred to therein has not been considered as to the merits, except as initialed by the examiner. Applicant is advised that the date of any re-submission of any item of information contained in this information disclosure statement or the submission of any missing element(s) will be the date of submission for purposes of determining compliance with the requirements based on the time of filing the statement, including all certification requirements for statements under 37 CFR 1.97(c). See MPEP § 609.05(a).

***Allowable Subject Matter***

3. Claims 1-14 are allowed.
4. The following is an examiner's statement of reasons for allowance: The claims are allowed for the same reasons given in the Notice of Allowability mailed November 25, 2008. Applicants' comments filed February 24, 2009, have been noted. To clarify, the examiner interprets the language of claim 4 as being consistent with that of claim 1, in that the limitation, "wherein the first computer acts only as a first computer," is interpreted as that computer acting only as the role of the "first computer" is defined in lines 3-5 of claim 4, and not acting as a "second computer" or "third computer," as those roles are defined in the subsequent portions of claim 4. The means that the word "first" of line 6 of claim 4 implies the specific configuration and not merely a numerical label.
5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Eric B. Kiss whose telephone number is (571) 272-3699. The examiner can normally be reached on Tue. - Fri., 7:00 am - 4:30 pm. The examiner can also be reached on alternate Mondays.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Tuan Dam, can be reached on (571) 272-3695. The fax phone number for the organization where this application or proceeding is assigned is (571) 273-8300.
